

Meet all ESSER (ESSER I, ESSER II, and ARP ESSER/ESSER III) Requirements with ParentPowered!

ParentPowered is an evidence-based family engagement program that meets all of the requirements of the Elementary and Secondary School Emergency Relief (ESSER) Fund, including those of American Rescue Plan Elementary and Secondary School Emergency Relief (ARP ESSER/ESSER III) Fund, which requires LEAs to set aside 20% of funds “to address the academic impact of lost instructional time through the implementation of evidence-based interventions, and ensure that the interventions implemented respond to students’ social, emotional, mental health, and academic needs and address students disproportionately affected by COVID.”

Take a closer look at how ParentPowered meets ESSER requirements

Set aside 20% of funds “to address the academic impact of lost instructional time through the implementation of <u>evidence-based interventions</u> ”	Ensure that interventions respond to students’ academic, social, and emotional needs	Address the disproportionate impact of COVID-19 on students from low-income families, racial and ethnic minorities, children with disabilities, English learners, migratory students, students experiencing homelessness, and children and youth in foster care
<p style="text-align: center;"></p> <ul style="list-style-type: none"> • ParentPowered is the only ESSER Tier 1* evidence-based digital family engagement solution with an approach proven to increase parent-child interactions and student learning gains. • In a series of randomized controlled trials, the Ready4K approach, on which ParentPowered curricula are based, was shown to increase parental involvement at home and school, leading to 2–3 months of student learning gains over a school year, making it a powerful tool to combat lost instructional time at home.** 	<p style="text-align: center;"></p> <ul style="list-style-type: none"> • ParentPowered curricula supports students’ academic, social, and emotional development through 12th grade. • ParentPowered Trauma-Informed is also designed to strengthen families’ five protective factors and mitigate the effects of childhood trauma. • ParentPowered Personalized Learning leverages the Ages & Stages Questionnaire®, 3rd Edition (ASQ®-3) screening results to deliver developmentally-targeted support for children birth–age 5. 	<p style="text-align: center;"></p> <ul style="list-style-type: none"> • Grant funding is available for education providers serving economically disadvantaged families. • Every ParentPowered program is available in English and Spanish. ParentPowered Core is also available in 10+ languages including Chinese, Arabic, Vietnamese, Russian, and Hmong. • The ParentPowered curricula are delivered by text message, the most universally used technology. The program does not require internet access, a data plan, or a smartphone. • Every message is written at a 3rd-grade reading level and provides ideas that use only the people, places, and things most commonly available to most families. • Partners can offer ParentPowered to any caregiver in a child’s life and supports up to three children per phone number.
